

Stirring up the Gift within them while God is

Stirring up the Gift within You

The Lessons God teaches us...

1. Our ministry/dream/gift is not about us. It is about Him and His people. {Acts 20:24}
2. He began to stir the gift within you at an early age. {John 14:26}
 - Go before God in prayer and repentance and break every curse that was placed on you as a child.
 - Ask God to bring to remembrance the things He spoke to your heart.
 - Pray offensively so that those who don't understand the dream God has given you won't influence you negatively.
 - Begin to walk in the direction that you feel God is calling you to.

Stirring Up the Gifts in Our Children

1. Look for the spark in your child's eyes.
2. Look for the persistent interests.
 - Don't discourage.
 - Invest in their gifts.
3. Read together often.
4. Pray for them daily.

Not that we are competent in ourselves to claim anything for ourselves, but our competence comes from God.

[2 Corinthians 3:5](#)

Things to Remember

We are all called to be Disciples of Christ.

We are all called to be submissive wives to our husbands, and teachers to our children.

In addition to that God has plan for each of our lives.

He has given us the gifts, talent & help to fulfill it. His desire is for you to walk in His plan for your life.

Take it one decision at a time; one prayer at a time.
